

We Are Saving Lives

*AngioScan,
LLC*

eCAD

Electro Cardiac Acoustic Device

We are

**Utilizes Advanced Acoustic Imaging
technology to visualize coronary arteries
and detect blockages without the need
for invasive procedures.**

- 
- **eCAD is a state-of-the-art, non-invasive electro-acoustic sensing device**
 - **Proprietary algorithms and fast Digital Signal Processing hardware**
 - **Accurate detection and location of cardio and coronary vascular disease**
 - **Almost pinpoint accuracy in a very short and in real-time**
